NEIGHBOURHOOD

Allergens and Intolerances: All of our dishes are prepared in kitchens where allergens are present and where fresh food is prepared. We use ingredients containing Gluten (Wheat, Barley, Oats) Eggs, Milk, Soy, Celery, Sulphites, Nuts, Peanuts, Fish, Molluscs, Crustacea, Mustard, and Sesame. Please note that not all ingredients are listed in our menu descriptions. Due to the possible risk of cross contamination, we are unable to guarantee the absence of traces of allergens. If you have particular dietary requirements or intolerances to allergens, we ask that you speak to a member of our team before ordering. Whilst we take every care to remove them, Fish & Shellfish may contain small bones or pieces of shell. All weights stated are approximate, pre-cooked quantities. We have Chicken & Steaks from Halal certified suppliers available on request. We are happy to prepare dishes with non-gluten-containing ingredients upon request but may not always be able to substitute all elements of a dish. Full information on menu allergens is available at www.neighbourhoodrestaurant.co.uk/allergens-guide
A discretionary service charge will be added to all tables. (v) **vegetarian** (vg) **vegan**
